**TO WHOM IT MAY CONCERN:**

Please let this letter serve as a recommendation for Steve Vest as a superb Marketing and Communications professional.

We have been regular customers of Steve for the past two years and have utilized his skills in various ways. His work for us has included graphic design, web design, print layout, and video production.

Steve is both personable and highly professional. He shows a close attention to detail in order to deliver the right product. Personally, I found my experiences with Steve to be fun rather than work. He is a brilliant videographer and designer and his creativity goes well beyond any bounds I have ever seen in this industry.

Steve never missed a deadline, and he was often able to drop everything and take care of something we needed at a moment's notice. He would deliver all work ahead of schedule and his honesty made billing a pleasure. He was one of the very few freelancers that everyone in our office actually enjoyed doing business with on a regular basis.

Steve's creativity and desire to meet customer expectations make him the ideal Marketing professional for any organization. I would be more than happy to provide more details if you need them. Please feel free to call me at 703-462-0388 or email me at [neil.weston@roddgersinstruments.com](mailto:neil.weston@roddgersinstruments.com)

Sincerely yours,
